If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on November 21, 2007 has been entered.

Allowable Subject Matter

Claims 1, 5, 6, 10, 14, 15, 19, 23, 24, and 28-31 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Statement of allowance is in reference to independent claims 1, 10, 19, 28-31. All other claims are dependent on these claims.

The present application is directed to a system, method, and program for a request for quote (RFQ) engine that includes a data and metrics designer and meta-model, a state transition designer and meta-model, and workflow designer and meta-model. These components are used to generate an RFQ template which is then executed by an execution engine to generate an RFQ.

Applicants' arguments, filed November 21, 2007, on pages 13-16 have been fully considered and are persuasive. Independent claims 1, 10, 19, 28-31 recite uniquely patentable features as argued by the Applicants on pages 13-16 of the arguments.

Discussion of the most relevant prior art:

The following references have been identified as the most relevant prior art to the claimed invention.

(i) "Trends in Electronic Procurement" by Philip McCrea ("McCrea"): McCrea generally discloses various trends in electronic procurement. However, McCrea fails to teach or suggest the various limitations argued by the Applicants on pages 13-16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
